

Exhibits 8 & 9

AGREEMENTS

November 3, 1998

For 9-1-1 Emergency Communication

This agreement is made between the Iroquois County ETSB, Public Safety Answering Points, hereinafter referred to as "PSAP", and the Ashkum Police Department, for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (Exhibit 8)

Watseka/Iroquois PSAP Centers receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary; Direct Dispatch on 155.535 or telephone to officer on call

Secondary: Direct Dispatch on 155.775 or telephone to officer on call.

AID OUTSIDE JURISDICTION BOUNDARY (exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the Iroquois County ETSB and or Contracted PSAP provider.

Any agreements or changes in agreements and operating policies must be approved by the Iroquois County ETSB and contracted PSAP providers.

The legislative intent is that 9-1-1 will be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The Iroquois County PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the Iroquois County Emergency Telephone System Board.

Any agreements or changes in agreements and operating policies must be approved by the above-mentioned board.

AGREEMENTS

November 3, 1998

For 9-1-1 Emergency Communication

This agreement is made between the Iroquois County ETSB, Public Safety Answering Points, hereinafter referred to as "PSAP", and the Chebanse TWP Fire Department, for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (Exhibit 8)

Watseka/Iroquois PSAP Centers receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: Direct Page on 154.400

Secondary: Direct page alternate Paging tower on 154.400

AID OUTSIDE JURISDICTION BOUNDARY (exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the Iroquois County ETSB and or Contracted PSAP provider.

Any agreements or changes in agreements and operating policies must be approved by the Iroquois County ETSB and contracted PSAP providers.

AID OUTSIDE JURISDICTION BOUNDARY (exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the Iroquois County ETSB and or Contracted PSAP provider.

Any agreements or changes in agreements and operating policies must be approved by the Iroquois County ETSB and contracted PSAP providers.
